REF: CRUISE JOB OPENINGS IN ROYAL CARRIBBEAN CRUISEES LTD AND DISNEY CRUISES

The cruise industry is expanding at a very fast rate across the globe. International cruise companies are targeting Kenya's hospitality professionals to join the emerging market. Kenya Utalii College graduates are joining the cruise industry. So far the Mediterranean Shipping company has been recruiting KUC alumni as well as graduates from other institutions.

Recently, the Royal Caribbean Cruises Ltd and the Disney cruises have joined the list of cruise companies hiring our alumni. Our alumni are therefore advised to visit the following sites and submit their online applications to the two cruise firms for consideration.

- **DISNEY CRUISES:** [dcljobs.com](http://www.dcljobs.com/), <http://www.dcljobs.com/>
- **ROYAL CARRIBBEAN CRUISES LTD:** rclcareers.com, <http://rclcareers.com/> Check royal Caribbean cruise line employment as well as career opportunities. They have cruise jobs, resort jobs, tour guide jobs and yachting crewing jobs. **NB:** For Disney and Royal Caribbean cruises, please go online on the links provided above.
- **Mediterranean Shipping Company SC cruises:** The MSC will conduct another round of recruitment in January next year. Those interested in their hospitality jobs should send their CVs to placement@utalii.ac.ke by 15th December 2019. **Make sure you have 2 years' experience, valid passport and certificate of good conduct.**

Already we have our alumnus **Chef John Mwanzia** who works for the Royal Caribbean Cruises made an online application for his current job at the Royal Caribbean cruises.
