NAIROBI – KENYA

MICT/A/10/3 VOL. L

21ST January, 2020

**The Attorney General
All Principal Secretaries/Accounting Officers
CEOs of State Corporations**

**PROCUREMENT OF ICT EQUIPMENT AND SERVICES UNDER THE ICT
CONSOLIDATED PROCUREMENT.**

The Head of Public Service vide Circular Ref: No. OP/CAB.39/1A of February 23, 2018, directed the Ministry of Information, Communications and Technology (MOICT) to develop and issue guidelines for Framework Agreements and Framework Contracting as required by PPOA Circular No. 6/2010 for purposes of managing price, quantity, quality and standards in the acquisitions of ICT equipment, works and services. In addition, Circular Ref: No. OP/CAB.39/1A of March 1, 2018, directed that all ICT procurement be centralized under this Ministry to ensure economies of scale in procurement and optimize the use of the Shared Services Strategy.

The State Department for ICT in compliance with this circular has already developed fifty eight (58) framework contracts and thirty one categories (31) of firm's prequalified under different categories which can be applied in procurement of ICT equipment and services in accordance with the Public Procurement and Disposal Act 2015.

For smooth operationalization of these frameworks, all MDA's whose ICT budgets were consolidated to State Department for ICT are required to provide updated requisitions specifying quantities and specific items that are aligned to the required specifications and budget ceilings as communicated by the National Treasury and Planning vide Circular Ref: ES. 1/03 "N" (2), dated 19th June, 2018. In addition, MDAs including State Corporations and SAGAs whose budgets were not consolidated under the State Department for ICT can now use these Framework Agreements to ensure there is economies of scale and value for money.

The details of the attached framework contracts and their respective specifications can be accessed in our website (www.ict.go.ke).

All requisitions for processing by the state department for ICT should be received in good time in order to ensure strict compliance with the National Treasury Circular on end-year closing procedures for commitment controls, expenditure measures and financial reporting.

Please note that this circular supersedes the earlier circulars including that referenced MOICT/CIRCULAR No. 2/2018 dated 24th January 2018.
